

## EFCA Summer Reading Challenge

Hello EFCA Families!

We are inviting all EFCA students to participate in our Summer Reading Challenge! This year we are challenging the elementary students to 1,000 minutes of reading this summer. Can you reach that goal?!!!

*You can read every day for 20 minutes **or**  
You can read a couple times a week for larger amounts of time **or**  
Slow down or speed up...the choice is yours!*

This challenge goes until August 30<sup>th</sup>! Every time you read for 20 minutes you can color in one of the spots on the reading tracker. Don't lose your paper so that you can keep track of your status along the way! On August 30<sup>th</sup>, bring back the attached coloring tracker completely colored in for the prize!

### **WHAT IS THE PRIZE!?!**

All EFCA students who complete the challenge and read 1000 minutes will get to accompany Mr. Atwood and Ms. Pickens to a reading party that includes food, ice cream and MINIGOLF!!!

So don't miss out and start reading!. ;)

Adventure is out there!

Mr. Charlie Atwood  
Head of School
